To: Group R5Foia/R5/USEPA/US@EPA,

History: This message has been forwarded.

Good morning Anna,

I apologize for not follow up sooner. It has taken some time to track down the exact address of the site. Please continue the FOIA with the following address/location:

Johnson Controls, Inc.
1007 South 12th Street
Watertown, WI

I understand that this process may take some time, but I hope you can expedite this request. Please provide an estimated date of completion with your response. I would appreciate any help you can offer.

Regards,
-Heather

Ms. Knowlton,

Please provide an address for this site or any other information regarding this site. Do you have an US EPA id for this site ? There is a site in the CERCLIS system with a similair name, I am providing you a pdf copy of a query result in the Superfund Information System . Is this the site you are requeting records under the FOIA?

FOIA Request: EPA-R5-2014-003418

\*\*\*\*\* ATTACHMENT NOT DELIVERED \*\*\*\*\*

This Email message contained an attachment named  
image001.jpg

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
